

Job Title: Senior Accountant / Junior Controller

Location: Vancouver, BC (Hybrid)

Company: Orogen Royalties Inc.

About Orogen Royalties

Orogen Royalties Inc. is a royalty company focused on organic royalty creation through prospect generation and acquisition. The company operates with a lean, entrepreneurial team and is committed to creating long-term shareholder value through disciplined financial management and strategic growth.

Position Overview

We are looking for a proactive and detail-oriented **Senior Accountant or Junior Controller** to join our finance team. This position is well-suited for a mid-career accounting professional seeking to advance into a leadership role, or for a controller who thrives in a hands-on, operational environment. Reporting directly to the **Chief Financial Officer and Chief Executive Officer**, you will be instrumental in managing financial reporting, budgeting, compliance, and internal controls, while providing strategic support across the organization's operations.

Key Responsibilities

Financial Reporting & Analysis

- Assist in preparing and analyzing monthly, quarterly, and annual consolidated financial statements.
- Ensure compliance with IFRS and other applicable accounting standards.
- Conduct variance analysis and provide insights to senior management.

Budgeting & Forecasting

- Lead the annual budgeting process and rolling forecasts.
- Monitor actual performance against budget and provide recommendations.

General Ledger & Transactions

- Oversee general ledger maintenance and ensure accurate journal entries.
- Manage month-end and year-end close processes.

Compliance & Controls

- Maintain and improve internal controls that are fit for purpose and safeguard assets.
- Proactively streamline processes within the Administration Group where possible.
- Coordinate with external auditors and regulatory bodies.
- Ensure compliance with tax regulations and filings across multiple jurisdictions.

Leadership & Collaboration

- Supervise and mentor junior accounting staff.
 - Ability to change within a dynamic environment.
 - Ability to deal with external stakeholders and suppliers in a pleasant and professional manner
 - Collaborate with cross-functional teams across Canada, the United States, and Mexico, to support organizational objectives and ensure alignment across jurisdictions.
 - Reporting to the CFO and CEO as needed
-

Qualifications

- Bachelor's degree in Accounting, Finance, or related field (CPA designation preferred).
- 5+ years of progressive experience in accounting.
- Strong understanding of IFRS, financial reporting, and internal controls.
- Experience in the mining and royalties sector is a plus.

- Proficiency in SAGE accounting system.
 - Advanced Excel skills.
-

Skills & Attributes

- High attention to detail and analytical thinking.
 - Strong communication and interpersonal skills.
 - Ability to manage multiple priorities and meet deadlines.
 - Proactive, self-starter with a continuous improvement mindset.
 - Proficiency in Spanish is preferred, but not a required attribute.
-

Why Join Orogen?

- Be part of a dynamic and growing company in the mining royalty space.
 - Work with a collaborative and experienced team.
 - Competitive compensation and benefits package.
 - Opportunities for professional growth and development.
-
