### **About Renaissance Gold Inc.**

Renaissance Gold Inc. is a western US focused prospect generator utilizing a joint venture business model. RenGold applies the extensive exploration experience and high-end technical skills of its founders and team members to search for and acquire high quality precious metal exploration projects that are then offered for joint venture to industry partners who provide exploration funding. RenGold maintains a large portfolio of gold and silver exploration properties and has entered into over 60 exploration agreements including those as its predecessor, AuEx Ventures Inc., and those from Kinetic Gold. RenGold’s objective is to place its projects into exploration agreements, testing as many drill targets as possible and providing maximum exposure to success through discovery.
